Here's how you do it:

1. Fold the paper in half.
2. Cut along the dotted lines to make slits.
3. Open the card and bend each tab inward.
4. Crease each tab toward the inside of the card.
5. Color the flowers and flowerpot and cut them out.
6. Tape or glue them to the tabs.
7. Cut out the second card and glue it to the back of the first card.
8. Once the glue is dry, color the inside and outside of your card.
9. Open the card and see the pop-ups!
10. Give to mom and watch her smile grow!
