LOCATION: Hong Kong

WHO LIVES HERE?

7 ½ million people.

WHERE IS IT?

Hong Kong is a city on the coast of Southern China.

DID YOU KNOW?

Hong Kong is made up of 263 islands. Some of the most popular areas are:

- 1 Hong Kong Island
- 2 Kowloon
- 3 Lantau
- 4 Cheung Chau
- 5 Lamma

PLACES TO SEE:

Victoria Peak

- The highest point on Hong Kong Island.
- You can take Hong Kong's bright red Peak Tram to the top. It's one of the world's oldest funiculars—or cable car system—built in 1888.
- The area has a lot of wildlife including birds, butterflies, wild boar, and porcupines.
- Locals call it "The Peak."

Victoria Harbour

- Where ships dock between Kowloon and Hong Kong.
- One of the world's busiest ports—with 220,000 ships visiting the harbor each year.
- The Harbour hosts a huge fireworks show on the second night of Lunar New Year.
- It's also home to the Avenue of Stars, honoring famous people of Hong Kong's film industry.

FUN FACTS:

香港

- Most Hong Kong residents speak Cantonese, a form of Chinese.
- Hong Kong means "fragrant harbor" in Cantonese. "Kowloon" means "nine dragons," referring to the hills around the area.

- Hong Kong has more skyscrapers than any other city in the world.
- It also has the world's longest covered escalator. It takes almost 25 minutes to ride it from beginning to end!
