WORLD TOUR

MADRID, SPAIN

Activity
Packet

LOCATION: Madrid

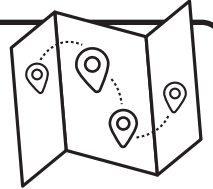

WHO LIVES HERE?

More than 3 million people, known as madrileños.

WHERE IS IT?

Madrid is the capital of Spain, in the center of the country.

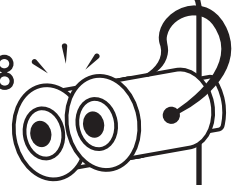

DID YOU KNOW?

Madrid is known for its delicious food. Some of its most famous dishes are:

- 1 Tortilla Espanola, a Spanish omelette
- 2 Bocado de calamares, a calamari sandwich
- 3 Patatas bravas, fried potatoes
- 4 Paella, a rice and seafood dish
- 5 Churros con chocolate

PLACES TO SEE:

Plaza Mayor

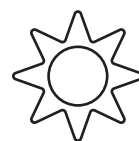

- The Plaza Mayor is an enormous square in the heart of Madrid.
- Plaza Mayor was built more than 400 years ago.
- The landmark's rectangular shape is surrounded by three story buildings, which have 237 balconies and 114 arches.
- In the center is a bronze statue of Spain's King Philip III.

Gran Vía

- Gran Vía is Madrid's busiest, most famous street.
- It's packed with shops, restaurants, and theaters.
- The street also has some of Madrid's landmark buildings, including the Metropolis Building, the Edificio Grassy, and the Telefónica Building.
- More than 10 million people walk down the Gran Vía every year.

FUN FACTS:

- Madrid is one of the sunniest cities in Europe, with an average of 300 days of sunshine a year.
- Madrid is a very green city, with more than 300,000 trees!

- El Oso y el Madroño is one of Madrid's most famous statues. It's a sculpture of bear and a strawberry tree.
- Madrid is home to Europe's first skyscraper, the Telefonica Building built in 1929.
